Hempfield Rec Ski & Snowboard Club Helmet Specials

We have learned from past experience (49yrs. to be exact) that helmets do reduce numerous head injuries. With that in mind, Ski Tunes also wants to help reduce head injuries, so we are offering special rates to the Hempfield Rec. Ski & Snowboard Club for a limited time. Starting Oct. 19th until Nov. 15th the following reduced prices will be in effect. Brands, styles, sizes and colors may be limited so shop early for the best selection. The following prices do not include tax. Our least expensive helmet, "Five Forty" retails at \$79, your price \$39. We also have helmets available from Head, Giro & LDM and all club members will receive a 10% discount. All helmets are certified by the ski & snowboard industry, all are vented, some with adjustable vents and some with adjustable sizing. All our helmet styles, sizes & colors have not arrived as yet, however I do expect all of them to be here by the mid to late October. As this time approaches, don't delay, come out to our shop for a professional fit. I know this is an additional cost to the sport of skiing & snowboarding, but will probably be the best investment that you make for your child's safety. Our shop hours are listed below. Please let us know that you are a member of the Hempfield Rec Ski & Board Club when you visit us to receive special pricing. We look forward to helping you with all your skiing & snowboarding needs.
